| marriage and family: perspectives and complexities | Divorce rates for 50-70 year-olds are the highest they’ve been, having more than doubled since 1990. As financially independent people live into their 100s, many are taking their marriages off life |
| a divorce trend that may reshape marriage forever | While I knew committed couples consisting of two men or two women, I thought that marriage should maintain its traditional definition – between man and woman. But I was wrong. However controversial for freedom and family, my fellow republicans should pass law to protect same-sex marriage |
| for freedom and family, my fellow republicans should pass law to protect same-sex marriage | Despite Southeast Asia’s rich ethnic and cultural diversity, there are shared values throughout the region. Many of these shared values inform family life, marriage, and divorce. Southeast Asians |
| diversity and unity | For freedom and family, my fellow republicans should pass law to protect same-sex marriage |

### family diversity and change

We find someone to share life with, hopefully in a marriage relationship whether in the church or in the family: there is no clear pathway and too many distractions. All of us would benefit
